~ open to non-members.**

We are very exciting about the opportunity to open this retreat to non members of Christian World. Because of limited space, we made the retreat available to CW members only to participate at the "Member" price as printed on the registration and information page.

Our member registration fee does not cover the entire cost of the retreat, and members participate in fund raisers throughout the year to keep the individual retreat costs down. Non members are asked to help with those extra costs with an additional fee of \$20 per person.

Registration is now first come...first serve...member and non member. We will close all registration approximately 3 weeks in advance of the retreat. We will keep you informed!
