**Steven Stealth Miller will  
be our guest speaker for  
the day!**

Steve "Stealth" Miller is one of the most interesting and powerful men you will ever meet. With an extremely diverse arsenal of talents, gifts, and achievements, He is able to move seamlessly among the worlds of entertainment, corporate, and ministry. His presentations are riveting and life changing, characterized by a high level of energy and a wealth of knowledge and experience that comes from a decorated career as a world-class martial arts fighter/professional strength athlete. He is an inspiration for people to live life and live it big. His favorite expression is "If you're going to be a bear, be a grizzly ... anything else is just another bear!" That belief is evident in every area of his life; 28 years of marriage to his wife Mary, three successful children, dozens of informally adopted kids around the country that call him and Mary mom & dad, and an extraordinary life and career as "The Ultimate Life Coach."

He has earned fourth degree black belts in Tae Kwon Do and Hap Ki Do as well as a first-degree black belt in Ju Jit Su. His various disciplines of martial arts have helped him to be a champion fighter in Mixed Martial Arts competitions. He has trained dozens of professional athletes to become world champions. He has spoken to over a million young people around the world through school assemblies, conferences, and demonstrations. He currently holds four world records including a recent feature on Ripley's Believe it or Not" television program; a young lady jumped off of a 27-story tower, attached only to a bungee cord. Steve stood on top of the building and held the other end of the cord with his bare hands.

**Welcome**...We're glad you're here.

**2010...Our defining year!**
